It's too short to do the task if you text someone 3 days before the meeting. **French must text German until 1st April** to begin the task !

Romane will not come again, so Yousef and Ilana are together for the *incredible memory*.

If you have any problem, if you won't come, or if the task has not been done : please tell us !

The German group made a video about their weaknesses and strenghts.

**Maybe the French group can also make a video ?**

We stopped at 7:55, without been able doing anything...

Le ver vert va vers le verre vert.

Der grüne Wurm geht in Richtung des grünen Glases.

As-tu vu le ver vert allant vers le verre en verre vert?

Hast du den grünen Wurm gesehen, der in Richtung des glasgrünen Glases ging?

Les vers verts levèrent le verre vert vers le ver vert.

Die grünen Würmer hoben das grüne Glas in Richtung des grünen Wurms an.

Le vif ver filait vite sur un fil de fer vert. Le vert fil de fer vit filer le vilain ver de terre.

Der lebendige Wurm flitzte schnell auf einem grünen Eisendraht. Der grüne Eisendraht sah den garstigen Regenschurm verschwinden.
